GUIDELINES FOR OFF-ICE OFFICIALS

Hockey Quebec's Return to Hockey Plan was designed in accordance with current public health standards and rules. It is everyone's responsibility to read the Plan in order to know the different standards to be respected and applied. Other documents related to the pandemic have also been developed to ensure the health and safety of all members of Hockey Quebec. You can access the documents by clicking on the following link: www.hockey.qc.ca/fr/page/retour-au_hockey.html

VERY IMPORTANT
• Follow to the letter the directives included in Hockey Quebec's Return to Hockey Plan as well as those of Public Health;
• Before going to the arena, you must complete your COVID-19 self-evaluation;
• If you have any symptoms, stay home and notify your assignor;
• Wear the face cover at all times when you are in the arena, including the scorekeeper's bench;
• Respect the physical distancing of two (2) meters (one (1) meter for 16 years old and under) at all times;
• Wash your hands when you arrive and regularly when you are in the arena;
• When you arrive at the arena, you must report to the Covid-19 Health and Safety manager of the local minor hockey association;
• Do not enter the players or the officials locker rooms;
• Only if the space at the scorer's bench allows it, when working with two (2) off-ice officials, you must respect the physical distancing and wear your face cover at all times;
• Verbally greet coaches and officials. Handshakes are prohibited;
• Do not speak to officials through the hole in the glass, but rather from two (2) meters away.

RECOMMENDATIONS
• Equip yourself with a hand sanitizer;
• Equip yourself with disinfectant wipes;
• It is not recommended to use the microphone. If necessary, disinfect it before and after use and keep your face cover on when using it;
• To avoid sharing scorsheets, write down the names of the officials yourself;
• Using the disinfectant wipes, clean the control panel before and after each game.
